(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for December 9 – December 13 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

NOTE: These closures are for the US 41 Project only

The Leo Frigo Bridge remains closed. Please use the WIS 172 bypass or plan an alternate route.
